In the series **the background of the lives of the main characters created by Tornatore will be told** and who live in the imaginary Sicilian village of Giancaldo, where this story is set. The themes that will intertwine in the series will be the same as in the film: the solidarity of a friend, sex as a taboo, the strength of a mother, forced transfers, escapes and marked social differences. "The intent is to provide a cross-section of the Italian generation after World War II and the drive to start again in those years, intertwined with the passion for cinema".
